

# The Employment Leave Bill is **not for us**

It means **less leave** for  
anyone **who's badly  
injured**

Under the **current law**, ACC compensation does not affect your annual or sick leave.

Under the **Employment Leave Bill**, you would not earn annual or sick leave while you're on ACC compensation.

This means you will end up with **less annual and sick leave** if you're badly injured.

Getting injured **should not affect your right to annual and sick leave**.
